Education

Sri Sairam Engineering College

B.Tech in Information Technology

- CGPA: 8.24/10

2023 – Present

Chennai, India

Kamaraj Matriculation Higher Secondary School

Higher Secondary Education (Class XII)

- Percentage: 86.67%

2022 – 2023

Chidambaram, India

Technical Skills

Programming Languages: Java, Python, JavaScript, SQL

Databases: MySQL

Networking: CCNA, TCP/IP, Routing & Switching, VLANs, Subnetting, IPv4/IPv6, DHCP, DNS, NAT, Wireless Networks, Network Troubleshooting

Cisco Technologies: Cisco Packet Tracer, Router Configuration, Switch Configuration, CCNA Concepts, Access Control Lists (ACLs)

Network Security: Firewall Fundamentals, VPN Basics, Network Security Concepts

Operating Systems: Linux (Basic), Windows

Tools & Platforms: Wireshark, Git, GitHub, VS Code, MySQL

Core Concepts: Computer Networks, Data Structures, Algorithms, Object-Oriented Programming, Database Management Systems (DBMS), Software Development Life Cycle (SDLC)

Soft Skills: Communication, Teamwork, Problem Solving, Leadership, Critical Thinking

Projects

Enterprise Network Design using Cisco Packet Tracer | Routing & Switching, VLANs, IPv4 Subnetting

- Designed a small enterprise network connecting multiple departments using routers, switches, and PCs.
- Configured VLANs and IP addressing to enable secure communication between departments.
- Performed network troubleshooting and connectivity testing using Cisco Packet Tracer simulation tools.

Smart Expense Tracker | Java, MySQL, Data Visualization, Financial Analysis.

- Developed a Smart Expense Tracker for monitoring expenses and managing budgets efficiently.
- Implemented automated expense categorization, budget analysis, and data visualization features.
- Designed an interactive interface with financial reporting and expense management functionalities.

Internship

Blitzwork Information Technologies Pvt. Ltd.

Web Developer Intern

Jun 2025 – Jul 2025

Chennai, India

- Developed a full-stack Automobile Service Booking System using responsive web technologies.
- Implemented online booking, real-time service tracking, workflow automation, and customer data management.
- Improved service efficiency through database integration and intelligent process automation.

Certifications

- Cisco – Networking Basics
- CCNA: Introduction to Networks – Cisco Networking Academy
- CCNA: Switching, Routing and Wireless Essentials – Cisco Networking Academy
- Oracle Academy – Java Programming
- Oracle Academy – Artificial Intelligence with Machine Learning in Java
- NPTEL (IIT Kanpur) – Java Programming
- NPTEL (IIT Kanpur) – Big Data Computing
